### TC SMART

---

Automatic Toe Closer for pantyhose. Santoni TC Smart has been specifically designed for the pre-assembled pantyhose or "One Piece" toes seaming. Machine can be connected to the OP Smart in order to allow a fully automatic seaming process of the "One Piece" or manually operated for pre-assembled pantyhoses. TC Smarts operates on both toes with a perfect round seaming "fish mouth", as requested on top quality products. The simplicity of operation facilitates the installation and the use of the machine, enhances reliability and reduces operation and maintenance costs.
